

Edgewood Safe Start Promising Approaches Summit | San Mateo

Roundtable

Elena P. Cohen
Safe Start Center

National Safe Start Initiative Framework

Sphere of Influence and Support

Safe Start Components

- ❖ Practice innovation
- ❖ Evaluation
- ❖ Research
- ❖ Training and technical assistance
- ❖ Information and resource development

Phase I—Demonstration Grantees

- Ambassador kits/briefcases (volunteers trained to deliver key messages)
- “Flip” Books for getting the word out
- Increased community capacity to respond to CEV

Phase I—Demonstration Grantees

- Increased awareness of both professionals and public—two nationally award-winning PSA's
- Increased service pathways and collaboration
- Changes in Policy and Procedures—MOUs, New Protocols for CPS/DV

Phase I—Demonstration Grantees

- Modified infrastructure of local service delivery systems by creating centralized access and by developing partnerships that expedited linkages

Phase I—Demonstration Grantees

- Improved existing mental health services by funding specialized training
- Increased sustainability by creating local funding streams through tax base and through strong coordinating bodies of governance

Phase I—Demonstration Grantees

- Developed screening procedures and protocols.
- DV Protocol for the Department of Children and Families.
- Coordinated case review.
- Home-based therapy and cell phone distribution

Phase I—Demonstration Grantees

- Modification of police dispatch software to record presence of a child.
- Course credits/certifications/funding of training (for partner providers).
- Coding 911 calls for child presence

Phase I—Demonstration Grantees

- Buy-in from police for referrals through “tow truck” commitment.
- Dependency court judges to drive reform in the dependency system with increased awareness of CEV.

Phase II: Intervention Approaches

- ❖ Assessment-Based Treatment for Traumatized Children (San Diego)
- ❖ Attachment, Self-Regulation, and Competence (ARC) (Chelsea)
- ❖ Child Advocacy Center (Bronx, Erie)
- ❖ Child Development-Community Policing Program (CD-CP) (Providence)

Phase II—Intervention Approaches

- Child Parent Psychotherapy (Bronx, Dayton, New York, Providence, San Mateo, Toledo)
- Child Welfare-Domestic Violence Collaboration (Portland)
- Head Start School Intervention Project
- (Kalamazoo)

Phase II—Intervention Approaches

- Heroes Program (Miami)
- Home Visitation (Dayton)
- Infant Mental Health (Miami)
- Integrated Case Management/Mental Health (Oakland)
- Intensive Family-Centered Treatment (Pompano)

Phase II—Intervention Approaches

- Kids Club (New York)
- Kinship Caregiver Services (San Mateo)
- Medical Home (Bronx)
- Motivational Interviewing (Dallas)

Phase II—Intervention Approaches

- Parent-child Interactive Therapy (PCIT) (Kalamazoo)
- Project Support (Dallas)
- Trauma-Focused Behavioral Therapy (TF-CBT) (San Diego)
- Working with the Dependency Court (Miami)

Discussion

- How does the information provided relate to the work that they you do in our agency?.
- In which ways could the SS program help the families you work with?
- What would need to happen so that SS and your agency can work together in more coordinated ways?

Discussion

- What are some of the barriers you confront?
- What are some of the ways that the San Mateo Safe Start follow up?
