EDGEWOOD

EDGEWOOD CENTER FOR CHILDREN AND FAMILIES

“There is no other agency that provides the depth and scope of service that **Edgewood** provides. It represents our best endeavor, as a society, to care for our most vulnerable children and families.”

JUDGE KATHERINE A. FEINSTEIN  
SAN FRANCISCO SUPERIOR COURT

We keep family at the heart of our work.

**EDGEWOOD** *helps children and families* overcome severe challenges like abuse, neglect, mental illness, and family crisis. Founded more than 150 years ago as a Gold Rush orphanage, Edgewood has evolved to become an innovative, multifaceted agency. Edgewood provides essential services to more than 5,000 Bay Area children and families each year, helping them build better lives and brighter futures.

**COMMUNITY-BASED SERVICES**

Edgewood is more than just a place. We offer a broad range of services to help children and families at home, in schools, and in the community. Edgewood collaborates with children, parents, teachers, and partner agencies to prevent problems from becoming more severe and more difficult to treat. Our Community-Based Services include: behavioral and mental health services; Kinship and family support; school-based programs; and physical health and wellness programs.

**INTENSIVE SERVICES**

Edgewood's programs address the unique needs of abused, neglected, and troubled youth who require more comprehensive care than their family or school can provide. At our San Francisco campus, we offer residential treatment, day treatment, non-public school instruction, and medical and psychiatric care. Edgewood's Intensive Services help children and teens to heal and reconnect with a safe, loving family whenever possible.

**ADVOCACY, TRAINING, AND RESEARCH**

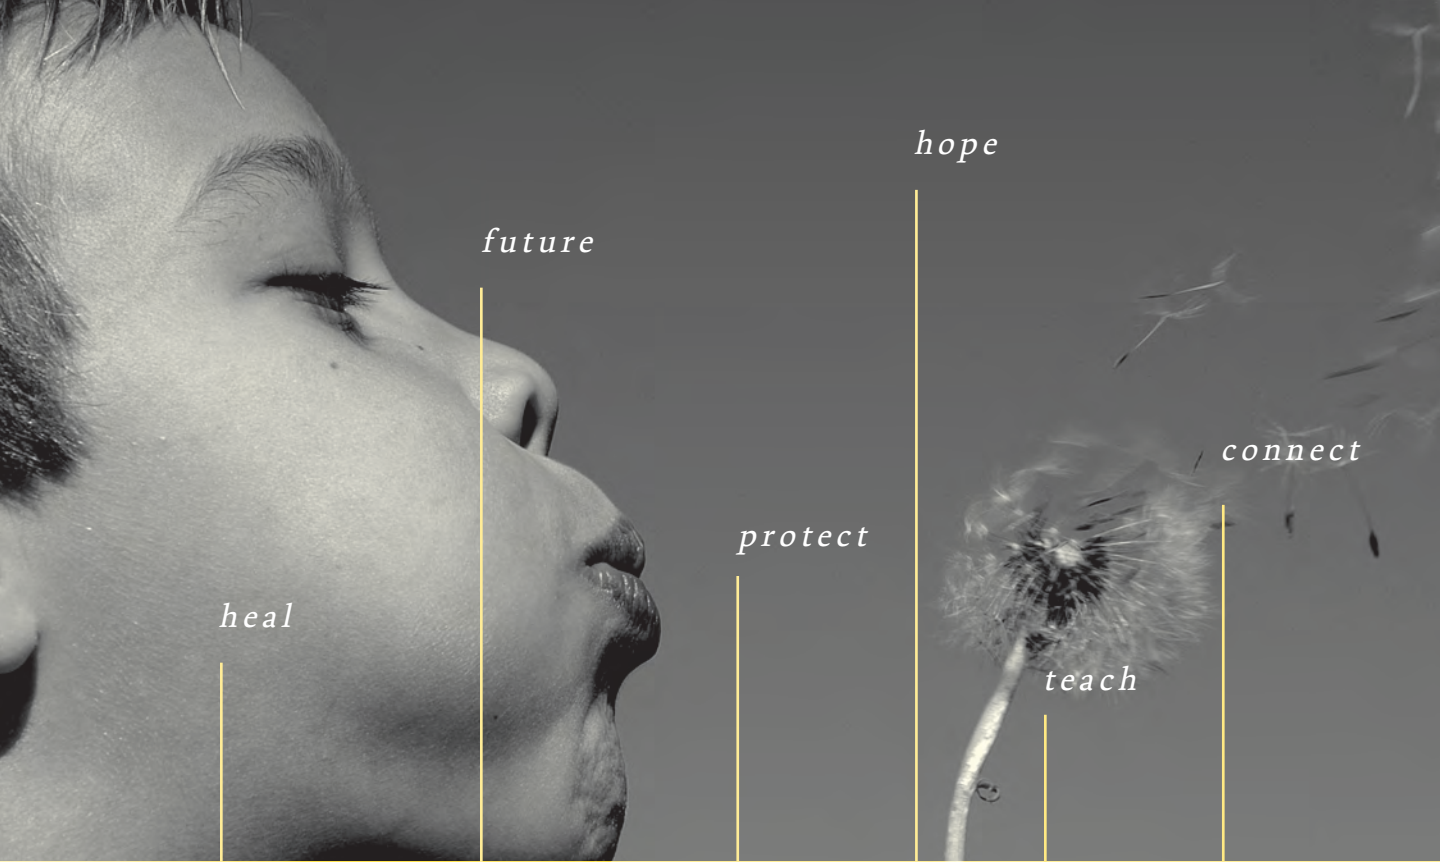

*Advocacy:* Edgewood is a champion for children and families statewide, promoting the development of sound public policies and programs.

*Training:* We draw on our years of experience to create innovative training opportunities for professionals and agencies serving children and families.

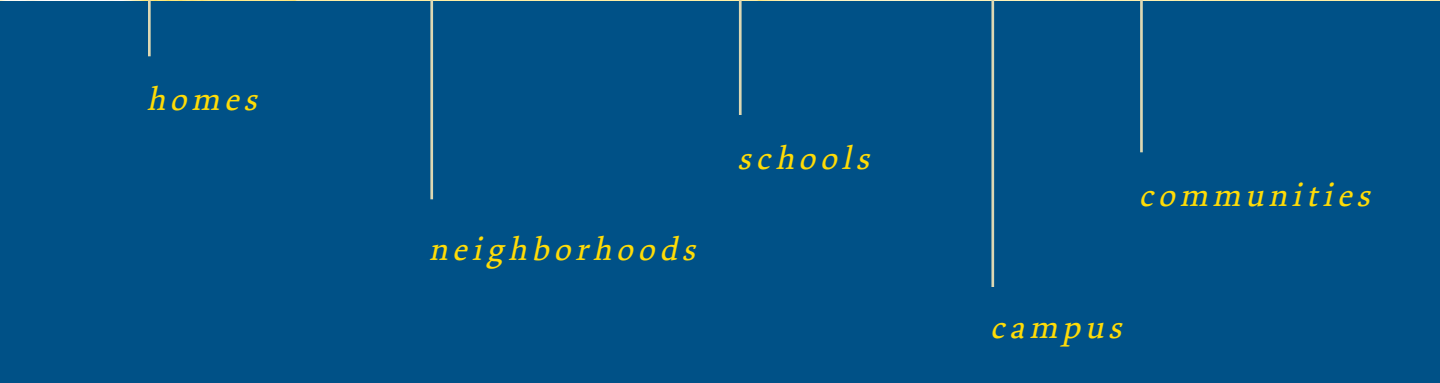

*Research:* Edgewood is committed to conducting and evaluating research to find the best approaches to serving at-risk children and families.

**FAMILY AT THE CENTER**

Edgewood believes that every child deserves a family. It's a fact that children who grow up in stable, loving homes are more likely to become happy, well-adjusted members of the community. That's why Edgewood keeps family at the heart of our work. Our agency has established a proven track record for programs that help children heal and keep families together.
